Scout's Name:

REQUIREMENT 1: Review with your counselor the processes for producing printed communications: offset lithography, screen printing, electronic/digital, relief, and gravure. Collect samples of three products, each one produced using a different printing process, or draw diagrams to help you with your description.

REQUIREMENT 2: Explain the differences between continuous tone, line, and halftone artwork. Describe how digital images can be created and/or stored in a computer.

REQUIREMENT 3: Design a printed piece (flier, T-shirt, program, form, etc.) and produce it. Explain your decisions for the typeface or typefaces you use and the way you arrange the elements in your design. Explain which printing process is best suited for printing your design. If desktop publishing is available, identify what hardware and software would be appropriate for outputting your design.

REQUIREMENT 4: Produce the design you created for requirement 3 using one of the following printing processes:

(a) Offset lithography

Make a layout, and produce a plate using a process approved by your counselor. Run the plate and print at least 50 copies.

(b) Screen printing

Make a hand-cut or photographic stencil and attach it to a screen that you have prepared. Mask the screen and print at least 20 copies.

(c) Electronic/digital printing

Create a layout in electronic form, download it to the press or printer, and run 50 copies. If no electronic interface to the press or printer is available, you may print and scan a paper copy of the layout.

(d) Relief printing

Prepare a layout or set the necessary type. Make a plate or lock up the form. Use this to print 50 copies.

REQUIREMENT 5: Review the following postpress operations with your counselor:

REQUIREMENT 5A: Discuss the finishing operations of padding, drilling, cutting, and trimming.

REQUIREMENT 5B: Collect, describe, or identify examples of the following types of binding: perfect, spiral, plastic comb, saddle-stitched, and case.

REQUIREMENT 6: Do ONE of the following, and then describe the highlights of your visit:

REQUIREMENT 6A: Visit a newspaper printing plant: Follow a story from the editor to the press.

REQUIREMENT 6B: Visit a retail, commercial, or in-plant printing facility. Follow a project from beginning to end.

REQUIREMENT 6C: Visit a school's graphic arts program. Find out what courses are available and what the prerequisites are.

REQUIREMENT 6D: Visit three websites (with your parent's permission) that belong to graphic arts professional organizations and/or printing-related companies (suppliers, manufacturers, printers). With permission from your parent or counselor, print out or download product or service information from two of the sites.

REQUIREMENT 7: Find out about three career opportunities in graphic arts. Pick one and find out the education, training, and experience required for this profession. Discuss this with your counselor, and explain why this profession might interest you.
