4	<ul style="list-style-type: none">• Scouts are encouraged to prepare by reviewing this requirement ahead of the class and make any notes for use during the class. This requirement will be done as a part of the class.
5	<ul style="list-style-type: none">• Scouts are encouraged to download the Scoutmaster Bucky Bird Study Merit Badge Field Notebook for use on this requirement.• Scouts are also encouraged to begin documenting observations in their Field Notebook to help ensure they are able to find 20 different species as the requirement states.• Scouts will be outdoors working on this requirement as a part of the class, however there are numerous factors that could negatively affect finding 20 species at the class which includes but is not limited to: weather, time of year, location, etc. Dress for being outdoors.
8a and 9a	<ul style="list-style-type: none">• These requirement options will be done to fulfill Requirement 8 and 9 as a part of the class,

Merit Badge Workbooks are a tool to aid Scouts with their work preparation. BSA discourages — but does not ban — the use of any merit badge worksheets or workbooks. Merit badge counselors must NEVER require the use of merit badge worksheets or workbooks and may if they choose, refuse to accept them. Scouts shall not be required to use ANY of these to complete a merit badge.
