

SCOUTMASTER BUCKY

2024 Class Preparation Page - for ONLINE and IN-PERSON classes

Digital Technology Merit Badge

Expectations

- Read and Review **ALL** requirements prior to the class
Even though a requirement may be identified as one to be done in class, Scouts are still expected to familiarize, review, and prepare for the requirement – BE PREPARED!
- Active interaction/participation is expected and mandatory.
- Share in your own words – avoid reading your answers.
- Pay attention to the action verbs.
- Bring proof of completion (even partially completed work)

Things to Remember to Bring

1. Your BSA ID# and / or your Merit Badge Blue Card properly filled out and signed off by your Scout Leader
2. Scout Uniform
3. Notes and Questions from reading the Digital Technology Merit Badge Pamphlet
4. A Laptop (preferred) or other reasonably comparable digital device
5. Supporting documentation or project work pertinent to this merit badge which may also include a Merit Badge Workbook for reference with notes.
6. A positive Scouting focus and attitude

Requirements Insight

Requirements

Expectations

1

This requirement is easy to prepare for, simply go the link below, with your parent or guardian's permission, and view the video prior to the class.

<https://www.scouting.org/training/youth/scouts-bsa/> choose the Digital Safety option

- This video will **NOT** be played as a part of the class.
- At the discretion and kindness of the instructor / counselor this video MAY be played if time allows after the class, but this should not be expected.

2 thru 9

If you have prepared ahead of time, you will be able to successfully complete these requirements during the class.

- The instructor / counselor will help facilitate discussion during the class on each of these requirements.
- Only Scouts who have prepared ahead of time will be considered for sign off during the class.
