### **Game Design Merit Badge**

**REQUIREMENT 6a:** 

Prototype your game from requirement 5. If applicable, demonstrate to your counselor that you have addressed player safety through the rules and equipment. Record your work in your game design notebook.

This requirement should be documented in your Game Design Notebook.

Don't forget to bring your Game Design Notebook when meeting with your counselor.

**REQUIREMENT 6b:** 

Test your prototype with as many other people as you need to meet the player format. Compare the play experience to your descriptions from requirement 5b. Correct unclear rules, holes in the rules, dead ends, and obvious rule exploits. Change at least one rule, mechanic, or objective from your first version of the game, and describe why you are making the change. Play the game again. Record in your game design notebook whether or not your change had the expected effect.

#### PLAY THE GAME

This requirement should be documented in your Game Design Notebook.

Don't forget to bring your Game Design Notebook when meeting with your counselor.

**REQUIREMENT 6c:** Repeat 6b at least two more times and record the results in your game design notebook.

#### PLAY THE GAME

This requirement should be documented in your Game Design Notebook.

Don't forget to bring your Game Design Notebook when meeting with your counselor.

#### PLAY THE GAME

This requirement should be documented in your Game Design Notebook.

Don't forget to bring your Game Design Notebook when meeting with your counselor.

**REQUIREMENT 7a:** Write an instruction sheet that includes all of the information needed to play the game. Clearly describe how to set up the game, play the game, and end the game. List the game objectives.

Choose your own or consider the following template for completing this requirement

Game Name:

Ages and Number of Players:

Game Objective: Tell how the game "works," including ultimate objective.

**Game Contents:** List ALL components and indicate if it's a deck of cards or a sheet of cards to be punched out; a free-standing game board or a game board to be punched out, a bag of tokens or a sheet of tokens to be punched out, etc....

**Game Assembly:** How do you assemble the game for the first time?

- Is assembly required? If yes, what?
- Are drawings required? If yes, of what parts?
- Batteries? If yes, size, number and where do they go? Back? Bottom?

**Game Setup:** How do you set up the game for each playing?

#### Game Play:

- Which player goes first? How is that determined?
- Does play pass to the left? If not, what is turn order?
- Define terms (if necessary)
- Turn Sequence: On a player's turn, what is the sequence of actions?
  - 1.
  - 2.
  - 3.
  - etc....
- Special conditions: Example: What if you land on another player?
- Board Spaces: What happens on special spaces?
- Special Cards: What do they do?

#### Winning:

- How is the winner determined? Do you have to win by exact count?
- What if there's a tie?

### **Gameplay Variations:**

- For a harder game
- For 2 players (or any number other than 4)
