

SEARCH AND RESCUE MERIT BADGE WORKBOOK

This Scoutmaster Bucky Merit Badge Workbook is based off the current *Scouts BSA Requirements*.

Consider also using the Search and Rescue merit badge class preparation page for clarification and expectations when participating in a Scoutmaster Bucky merit badge opportunity ([online](#) or [in-person](#)).

Scout's
Name:

A Note About Unauthorized and Restricted Activities

The BSA's *Guide to Safe Scouting* states under "Unauthorized and Restricted Activities" that flying in aircraft as part of a search and rescue mission is an unauthorized activity for youth members. For complete information, see <https://www.scouting.org/health-and-safety/>.

REQUIREMENT 1: Do the following:

REQUIREMENT 1 A: Explain to your counselor the hazards you are most likely to encounter while participating in search and rescue (SAR) activities, and what you should do to anticipate, help prevent, mitigate, and respond to these hazards.

Most likely hazards

Anticipate hazards

Prevent hazards

Mitigate hazards

Respond to hazards

REQUIREMENT 1 B: Discuss first aid and prevention for the types of injuries or illnesses that could occur while participating in SAR activities, including: snakebites, dehydration, shock, environmental emergencies such as hypothermia or heatstroke, blisters, and ankle and knee sprains.

Snakebites

Dehydration

Shock

Hypothermia

Heatstroke

Blisters

Ankle and knee sprains

REQUIREMENT 2: Demonstrate knowledge to stay found and prevent yourself from becoming the subject of a SAR mission.

REQUIREMENT 2 A: How does the buddy system help in staying found and safe?

REQUIREMENT 2 B: How can knowledge of the area and its seasonal weather changes affect your plans?

REQUIREMENT 2 C: Explain how the Ten Essentials are similar to a “ready pack.”

REQUIREMENT 3: Discuss the following with your counselor:

REQUIREMENT 3 A: The difference between *search* and *rescue*

REQUIREMENT 3 B: The difference between *PLS* (*place last seen*) and *LKP* (*last known point*)

REQUIREMENT 3 C: The meaning of these terms:

AFRCC (Air Force Rescue Coordination Center)

IAP (Incident Action Plan)

ICS (Incident Command System)

Evaluating search urgency

Establishing confinement

Scent item

Area air scent dog

Briefing and debriefing

REQUIREMENT 4: Find out who in your area has authority for search and rescue and what their responsibilities are. Discuss this with your counselor, and explain the official duties of a search and rescue team.

REQUIREMENT 5: Working with your counselor, become familiar with the Incident Command System. You may use any combination of resource materials, such as printed or online. With your counselor, discuss the features of the ICS and how they compare with Scouting's patrol method.

To complete requirement 5, you may need to go online (with your parent's permission). See the resources section for more information.

REQUIREMENT 6: Identify four types of search and rescue teams and discuss their use or role with your counselor. Then do the following:

REQUIREMENT 6 A: Interview a member of one of the teams you have identified above, and learn how this team contributes to a search and rescue operation. Discuss what you learned with your counselor.

REQUIREMENT 6 B: Describe the process and safety methods of working around at least two of the specialized SAR teams you identified above.

REQUIREMENT 6 C: Explain the differences between wilderness, urban, and water SARs.

REQUIREMENT 7: Discuss the Universal Transverse Mercator (UTM) system, latitude, and longitude. Then do the following:

REQUIREMENT 7 A: Using a 1:24,000 scale USGS topographic map, show that you can identify a location of your choice using UTM coordinates.

REQUIREMENT 7 B: Using a 1:24,000 scale map, ask your counselor to give you a UTM coordinate on the map, then identify that location.

REQUIREMENT 7 C: Show that you can identify your current location using the UTM coordinates on a Global Positioning System (GPS) unit and verify it on a 1:24,000 scale map.

REQUIREMENT 7 D: Determine a hypothetical place last seen, and point out an area on your map that could be used for containment using natural or human-made boundaries.

REQUIREMENT 8: Choose a hypothetical scenario, either one presented in this merit badge pamphlet or one created by your counselor. Then do the following:

Scenario

REQUIREMENT 8 A: Complete an incident objectives form for this scenario.

REQUIREMENT 8 B: Complete an Incident Action Plan (IAP) to address this scenario.

REQUIREMENT 8 C: Discuss with your counselor the behavior of a lost person and how that would impact your incident action plan (for example, the differences between searching for a young child versus a teen).

REQUIREMENT 8 D: After completing 8a–8c, discuss the hypothetical scenario with your counselor.

REQUIREMENT 9: Discuss with your counselor the terms *hasty team* and *hasty search*. Then do the following:

Hasty team

Hasty search

REQUIREMENT 9 A: Plan and carry out a practice hasty search—either urban or wilderness—for your patrol or troop. Include the following elements in the search: clue awareness, evidence preservation, tracking the subject, and locating the subject using attraction or trail sweep.

REQUIREMENT 9 B: When it's over, hold a team debriefing to discuss the hasty search. Discuss problems encountered, successful and unsuccessful tactics, and ideas for improvement.

REQUIREMENT 10: Find out about three career or volunteer opportunities in search and rescue. Pick one and find out the education, training, and experience required for this professional or volunteer position. Discuss this with your counselor, and explain why this position might interest you.
