REQUIREMENT 1: Tell how space exploration influences and benefits international relations and cooperation.

Notes:

REQUIREMENT 2: Design a collector's card, with a picture on the front and information on the back, about your favorite space pioneer. Share your card.

Don't forget to bring your collector's card to share with the merit badge counselor.

This requirement must be reviewed with your merit badge counselor.

BE PREPARED!

REQUIREMENT 2: In addition to your selected space pioneer, discuss four other space pioneers with your counselor.

REQUIREMENT 3:

Build, launch, and recover a model rocket.* Make a second launch to accomplish a specific objective. (Rocket must be built to meet the safety code of the National Association of Rocketry. See the “Model Rocketry” chapter of the Space Exploration merit badge pamphlet.)

** If local laws prohibit launching model rockets, do the following activity: Make a model of a NASA rocket. Explain the functions of the parts. Give the history of the rocket.*

You will need to be able to share your work with your counselor.

Scoutmaster Bucky classes include a simple model kit that Scouts will have time to assemble, and launch.

BE AWARE: Environmental factors (i.e., bad weather) may prohibit launching during the class.

Scouts may choose to purchase and build their own rocket ahead of time if they choose. You will however need to make sure you have the proper engines for multiple launches. If you choose to launch prior to the class, be sure to get a video of you and your launches to share with the counselor.

This requirement must be reviewed with your merit badge counselor.

REQUIREMENT 7:

Design an inhabited base located within our solar system, such as Titan, asteroids, or other locations that humans might want to explore in person. Make drawings or a model of your base. In your design, consider and plan for the following:

- a. Source of energy
- b. How it will be constructed
- c. Life-support system
- d. Purpose and function.

Scoutmaster Bucky Space Exploration Merit Badge classes allot SOME time for work on this requirement if needed, however Scouts MUST do a fair amount of preparation work prior to the class to find the greatest success.

This requirement must be reviewed with your merit badge counselor.
